Cotswold Gymnastics Club Financial Assistance with club costs

Introduction

Cotswold Gymnastics Club is a CASC (Community Amateur Sports Club) not-for-profit organisation and, as such, aims to keep costs as low as possible to maximise participation in gymnastics.

In addition, we look to be able to support those gymnasts coming from families of low or modest incomes who may otherwise be unable to pay in excess of £430 per annum (pro rata of £520) to fully participate in the sporting activities of the Club.

We run a Financial Assistance scheme through which we can reduce fees and other associated costs after assessing the financial impact on the family of the gymnast.

Guidelines

The government defines low family income as 60% of median income (currently £32,300) which equates to around £19,380 and modest incomes are those above this point.

We will also take into account families where there is more than one gymnast at the club and if there are other circumstances impacting your financial position on a case by case basis.

We will assess the support given ahead of each term and will require an updated form and more up to date evidence each time.

This could bring fees down to £430 or below depending on qualification. We understand there may also be shorter term financial pressures and may also be able to help in other ways by spreading costs, so please contact us at membership@cotswoldgymnastics.co.uk if you think we may be able to help in other ways.

Form and Evidence

We require a Cotswold Gymnastics Club Financial Assistance application form to be fully completed and returned to The Welfare Officer at the address at the top of the form.

Alternatively you can email it to membership@cotswoldgymnastics.co.uk .

We will require the following income declaration form to be completed and appropriate evidence of income provided to support this declaration.

This would typically include:

- Bank Statements
- (3 recent) Wage slips
- Income support/Family Credit • Jobseekers Allowance • Universal Credit

Upon receipt of a completed Application Form, the request will be considered by the Committee and the individual outcome communicated to parents / members as soon as possible thereafter.

Please contact the office if you have any questions about how to complete this form or what evidence should be supplied.

(Application form on next page).
